

St. Michael's Tree of Life

is a wonderful way to honor or remember a special person or event in your life. Each leaf is engraved to recognize a close friend, family, or special date. Each colored leaf represents a gift of \$250, \$500, \$1,000,

\$2,500, \$5,000, or \$10,000.

The leaves together represent the extended community of St. Michael's – people from Sauk Centre and the surrounding area, as well as others who understand the importance of sustaining a high quality health care close to home, now and for future generations.

Please consider helping our **Tree of Life** and St. Michael's community of friends grow. You may choose a leaf in one of the six colors to celebrate an event, remember a friend, or honor a family. We will work with you to ensure that your inscription is engraved on your leaf, according to your wishes.

Gifts to the **Tree of Life** are used to meet urgent and high priority needs of St. Michael's. For example, in the past, Tree of Life gifts have been applied toward finishing and equipping a second operating room; acquiring a mammography machine; purchasing defibrillators; testing equipment for newborns; and a van and dining room furniture for the nursing home.

**YOUR GIFT IS IMPORTANT
TO THE PEOPLE IN OUR
COMMUNITY**

WE NEED YOUR HELP

*so we can continue the tradition of
providing the best possible local health
care here, at St. Michael's.*

WAYS TO GIVE

Your Home For Health

St. Michael's is a not-for-profit, community owned facility which was established at its current location along the shores of Sauk Lake in 1950.

St. Michael's aspires to provide excellent community-based health care for the people of

Sauk Centre and the surrounding area. We seek collaborative relationships and strive to adapt to an ever-changing health care environment. In all we do, we strive to provide safe,

high quality services to patients and families, with compassion, dignity, respect to individual value systems, and cost efficiency, throughout the continuum of care.

St. Michael's established a not-for-profit Foundation in 1989, to carry out fundraising to benefit all of our programs and services.

We invite you to support St. Michael's as much and as often as you wish: from volunteering your time and talents to making monetary gifts to help meet critical needs.

Best wishes for your health and prosperity,

St. Michael's Staff & Boards of Directors

"St. Michael's plays an important role in the health and well being of our communities. We need to make sure that St. Michael's remains viable into the future, and supporting the Foundation helps to ensure that."
